

REPORT

As part of the co-curricular activities Mundeshwari College for Teacher Education organizes Rangoli making, Diya decorating, Toran making and Card making programme in college campus on 29/10/2024, to celebrate the spirit of Diwali, one of India's most widely celebrated festivals. This programme aimed at engaging student teachers creatively while also instilling cultural values and artistic skills.

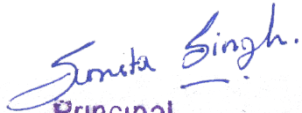

Objective was as follow:

- Encourage creativity and innovation among student teachers.
- Provide them with a hands-on activity that connects to their cultural heritage.
- Promote the importance of eco-friendly Diwali celebrations.
- Offer a platform for artistic expression and craftsmanship.

Student teachers from both session (2023-25 & 2024-26) participated in the programme with great enthusiasm. The activity was planned by IQAC co-ordinator Kumari Shashi Singh. Through the activity, student teachers developed collaborative skills and enhanced their artistic abilities by making Rangoli, cards and decorating the Diya. Each group's Rangoli, Diya, Toran and card was unique, showcasing their creative thinking and ability to experiment with different designs and patterns. The programme emphasized the importance of using eco-friendly materials and celebrating Diwali in a sustainable manner. Our Principal Dr. Kumari Sunita Singh appreciated and motivated all student teachers.

The whole Programme was a resounding success, allowing student teacher to connect with their cultural roots while engaging in a creative and enjoyable activity. It promoted values of eco-friendliness, collaboration, and artistic expression, making it a meaningful addition to the college's Diwali celebrations.
