Plantation Drive – 23.10.2018

- * On World Environment Day, our college organized a tree plantation drive under the motto “Each One - Plant at least One.” Students from the B.Ed. 1st and 2nd Year participated by planting a variety of saplings, including Neem, Peepal, Guava, Jamun, and Mango, along with seasonal plants. The drive was inaugurated by the Principal, who emphasized the importance of environmental stewardship.
- * Students formed a queue to plant at least one sapling each on campus and committed to caring for their plants in the future. Faculty and administrative staff also participated actively. Some students documented the experience by taking selfies while planting and shared them with friends and family to encourage tree planting.
- * The event concluded with refreshments for all participants, fostering a sense of community and shared responsibility for our environment.

Voter Awareness Program-

08.02.2019

Voting is an essential component of democracy, and it is essential for individuals to have a voice. Because everyone has the right to vote, all Indians may vote for the Prime Minister of their choosing. You can affect change and make a difference in your community by voting. It is also crucial to vote since legislation can only be repealed if the majority of citizens agree with it.

Voting is one way to become more involved with your government. Making a change in the world requires getting your voice heard and articulating the ideas of others who do not have a voice. Voting is a fantastic approach to bringing about change. Voting in elections helps citizens guarantee that the country's rights and protection are improved. Awareness about voting was executed by Electoral Literacy Club of Mundeshwari College for Teacher Education.

Beti Bachao Beti Padhao-22.01.2020

Prime Minister Narendra Modi has inaugurated a scheme for girls called Beti Bachao Beti Padhao. It is to save the girl child and educate the girl child all over India. The program was started on the 22nd of January, 2015 at Panipat. The aim of Beti Bachao Beti Padhao scheme is to stop the drop in girl child sex ratio.

Therefore, it will encourage women's empowerment in order to improve women status in the country.

The scheme has three primary objectives

Prevent female infanticide.

Develop new schemes and work collaboratively to ensure that every girl child is secured and protected.

Ensure every girl child gets a quality education.

Road Safety Awareness-

30.01.2021

Road safety awareness is crucial because it helps reduce the number of injuries and deaths on our roads. In road safety awareness campaign, students will learn about the critical road safety rules and the importance of following them.

To stay safe, one must know the proper way to drive a car and not rely on in-car technology like a navigation system. It can be challenging to know how much space one needs when driving a large vehicle like an SUV or a bus, so keep in mind that one should leave enough room for emergency vehicles if there is one nearby. Proper knowledge and education on road safety rules are required while driving or walking across the streets. Students prepared banner and posters giving the message of road safety.

Dahej Ek Abhishap -05.03.2022

- * The dowry system in India is a practice where the bride's family gives durable goods, cash, and real or movable property to the groom, his parents and his relatives as a condition of the marriage. Dowry is called dahez in Hindi and as jahez in Urdu. The dowry system can put great financial burden on the bride's family. The Dowry Prohibition Act, enacted on May 1, 1961, intended to prevent the giving or receiving of a dowry. Under the Dowry Prohibition Act, dowry includes property, goods, or money given by either party to the marriage, by the parents of either party, or by anyone else in connection with the marriage.

Anti-Drug Awareness Program-22.08.2023

- * There is a high cost for not implementing best practices in drug abuse prevention for students, campuses, and the larger community. Drug abuse can have many short- and long-term negative effects including physical and mental health problems, legal consequences, and impairment in many areas of a person's life, from school to work and interpersonal functioning. The majority of students are attending institutions of higher education to not only further their education, but also to enrich their future employment opportunities. Drug abuse can interfere with a student's ability to be successful in attaining this goal by disrupting their ability to finish course work, remain a matriculated student at their institution, and graduate.

AIDS awareness campaign -01.12.2023

World AIDS Day, observed annually on 1st December since 1988, is dedicated to raising awareness about the AIDS pandemic, caused by HIV, and remembering those who have lost their lives to the disease. HIV weakens the immune system, making individuals vulnerable to other infections. Around the world, governments, health organizations, and individuals mark this day with educational initiatives focused on AIDS prevention and stigma reduction. As part of this observance, our college students created posters and banners to highlight awareness and address the social stigma surrounding AIDS.

Har-Ghar Tiranga-10.08.2024

The "Har Ghar Tiranga" campaign, part of the Azadi Ka Amrit Mahotsav, encourages citizens to bring the Indian flag, the Tiranga, into their homes and proudly hoist it to celebrate the 75th year of India's Independence. Traditionally viewed as a formal symbol, bringing the flag into our personal spaces in this milestone year fosters a deeper, personal connection to the Tiranga, reflecting our collective dedication to nation-building.

Cleaning Campaign- Sarari Village (02.10.2024)

As part of our commitment to community service and environmental responsibility, our college organized a Cleaning Campaign at Sarari Village. The campaign aimed to promote cleanliness, improve local sanitation, and raise awareness about the importance of maintaining a hygienic environment. Volunteers, including students and staff, actively participated in cleaning public spaces, clearing waste, and educating villagers about sustainable waste management practices.

Throughout the day, the team engaged the villagers in discussions on proper waste disposal, recycling, and the benefits of a clean environment for health and well-being. The campaign not only enhanced the beauty and sanitation of Sarari Village but also strengthened community bonds and instilled a sense of responsibility toward keeping our surroundings clean. Together, we strive to inspire more villages to adopt these practices and contribute to a healthier, cleaner India.
